LETTER FROM THE CEO

Dear Friends,

Over 66,000 people within West Ohio Food Bank's (WOFB) service area live with uncertainty about having enough nutritious food for themselves and their families each day. With your support, WOFB was able to provide more than 6.8 million meals to 82% of those facing food insecurity. While these numbers are impressive, we want and need to do more, especially for our children, seniors and those with health implications making nutritious food even more necessary for a healthy, productive life.

We continue to build relationships and gain new partnerships throughout our 11-county service area addressing food insecurity issues. According to Feeding America's *Map the Meal Gap* report, West Ohio Food Bank's (WOFB) service area has a food insecurity rate of 13.2%. This is higher than Ohio's overall food insecurity rate of 11.5%.

Our organization continues to be strengthened through innovation and improvements. We continue learning from our partnership with Feeding America, the Ohio Association of Foodbanks, and other food banks across the U.S. to incorporate and scale proven solutions that work.

In partnership with several organizations within the communities we serve, we are working toward addressing root causes of hunger and collaborating with like-minded organizations. We have expanded our school pantries, healthcare partnerships, and incorporate new distribution models ensuring everyone who needs food has it on their table.

However, our work would not and could not be possible without the dedication and support of our network of partner agencies, volunteers, and supporters like you. Your generosity is what enables us to continue moving forward and feeding more of those facing food insecurity within our service area.

So, thank you for helping to put food on the table of those facing food insecurity. Words cannot express what a meal can mean to someone who doesn't always have one. We appreciate your partnership and look forward to what lies ahead in FY'24.

Tommie Harner
Chief Executive Officer
